

January/ February News

- A very busy and productive term here in CC
- Our U16 girls Basketball team were all Ireland Finalists. We were so proud of their achievement, they represented the school with commitment, passion and courage. Many thanks to our coaches - Parent Yvonne Bracken and teachers Emer Coleman and Maura Ni Scanail. Our junior teams are in action currently and we wish them continued success.
- Our TY'S and Student Council met with Councillor Joe Neville. Our Student Council are currently working on a report to present to Kildare county Council on Cycling to school - issues, concerns and suggestions. Students, parents and local residents will be asked to contribute.
- Creating Balance in Times of Stress was a very successful workshop delivered to our 3rd and 6th years to support their preparation for mocks and exams.
- Our mock exams just finished today - they ran very smoothly and gave everyone much needed experience. Well done to all of our exam students!!
- We wish everyone a very happy and restful midterm and see you back on the 28th!

Colaiste Chiarain U16 All Ireland Girls Basketball Finalists!!!! CONGRATULATIONS GIRLS!
